#### SUMMARY OF THE PLAN AND DISTRIBUTIONS TO CREDITORS

The Plan proposes to pay all Administrative Expenses and Priority Claims, if any, from funds on hand as of the Effective Date. Allowed Unsecured Claims will be paid from available cash flow generated by the Debtor's operations over a period of three years from the Effective Date. The following Classes of Creditors are impaired under the Plan and, thus, entitled to vote to accept or reject the Plan:

Class 1: Allowed Unsecured Claims of Models whose contracts with the Debtor have not been assumed by the Debtor or subject to a motion for assumption filed on or before the Effective Date.

Class 2: All other Allowed Unsecured Claims.

Based upon the Debtor's Schedules, Class 1 and Class 2 Claims against the Debtor total \$11,421,855. A substantial portion of the Claims are disputed by the Debtor. The Debtor believes that once all Claim disputes have been resolved, the total Unsecured Creditor body will total approximately \$500,000, all of which are comprised of Unsecured Claims. Assuming that the Debtor's projections are correct, Class 1 and Class 2 creditors shall receive payment of 100% of their Allowed Claims. Distributions shall be made commencing 1 year after the Effective Date of the Plan. The amount of the annual distributions will be dependent on the Debtor's income less expenses each year. The Debtor anticipates that there will be sufficient funds available to pay 100% of Allowed Claims. However, in the event available funds are less than projected or total claims are greater than projected, Creditors may not receive full payment of their claims. In such event, Creditors shall receive a *pro rata* distribution of available funds.

### ARTICLE 1 HISTORY OF THE BUSINESS OPERATIONS OF THE DEBTOR

#### 1.1 <u>Nature of the Debtor's Business.</u>

The Debtor is a commercial modeling agency which provides model services primarily to the retail trade. It represents both male and female models, working regularly with such iconic brands as Ralph Lauren, Gucci, Prada, Givenchy and Armani.

#### 1.2 History of Business Operations of the Debtor.

In 1999, Guido Dolci formed the Debtor to service the New York market. The booking teams of the Debtor are comprised of top industry professionals, who have expanded the Debtor's business into multimedia, television, and film. The Debtor currently maintains leased locations for the operation of its business at the following addresses: 344 W. 38th Street, Suite 602, New York, New York and 888 Newark Avenue, Suite 525, Jersey City, New Jersey. It also leases an apartment at 7000 Kennedy Blvd, Guttenberg, New Jersey, where certain of its models reside on a temporary basis.

#### 1.3 Filing of the Debtor's Chapter 11 Case.

On February 11, 2022 (the "Petition Date"), the Debtor filed a voluntary petition for relief pursuant to subchapter V of chapter 11 of the Bankruptcy Code. The Debtor's case remains pending before the Bankruptcy Court.

#### 1.4 <u>Legal Structure and Ownership.</u>

The Debtor is a corporation, organized and existing under the laws of the State of New York. The equity interest in the Debtor is wholly owned by Gemide SLR, a company organized and existing under the laws of Italy. The Debtor's sole officer is Guido Dulci, who has a 90% Equity Interest in the Debtor's parent and serves as the Debtor's President. The remaining Equity Interest in the Debtor's parent is owned by Mr. Dolci's son. Nadia Shahrik, an employee of the Debtor, serves as the Debtor's Vice-President.

#### 1.5 <u>Debtor's Assets</u>.

The Debtor's principal assets consist of approximately \$170,000 in cash on deposit, \$400,000 in accounts receivable, and a loan outstanding in the approximate amount of \$163,000. Other assets are comprised of furniture, fixtures and equipment, leasehold deposits, taxes receivable and advances to models, which total approximately \$50,000.

#### 1.6 <u>Debtor's Liabilities</u>.

The Debtor has no known secured or priority debt. General Unsecured Claims against the Debtor, per the Debtor's Schedules, total \$11,421,855. A significant portion of this liability is comprised of Claims against the Debtor which have been asserted in an action captioned *Burgess v. Major Model Management, Inc. et. al*, Case No. 1:20-CIV-2816, filed in the United States District Court for the Southern District of New York (the "Federal Court Action"), which seeks

damages for unpaid wages, late paid wages, improper wage deductions and other compensatory and punitive damages under the Fair Labor Standards Act of 1938 ("FLSA"), 28 U.S.C. §§ 201, et seq. and the New York Labor Law, Article 6 §§ 190 et seq. The crux of the Claim is that the Debtor improperly classified the models as independent contractors, rather than employees. The Debtor disputes the Claims set forth in the Federal Court Action in their entirety.

Another significant portion of the Debtor's liability is a \$5 million claim by Stephanie Hoffman ("Hoffman"), which she has asserted in an action entitled *Hoffman v. Major Model Management, Inc.*, Civil Action No. 1:20-CV-6941, filed in the United States District Court for the Southern District of New York, seeking damages arising from a data breach. The Debtor disputes the purported damages claimed by Hoffman.

#### 1.7 <u>Current and Historical Financial Conditions.</u>

Attached hereto as Exhibit "A" are the Debtor's profit & loss statements and balance sheets for 2020 and 2021. Attached hereto as Exhibit "B" is the Debtor's profit & loss statement for the period January 1, 2022 through February 29, 2022. The later statement contains substantial professional expenses most of which resulted from legal fees incurred in the Federal Court Action. The elimination of these expenses will reflect that the Debtor's operations are profitable.

#### 1.8 Events Leading to the Filing of the Bankruptcy Case.

The Debtor's chapter 11 filing was precipitated by the filing of the Federal Court Action, which was the last in a series of litigations commenced by former models of the Debtor for unpaid wages. Jasmine Burgess ("Burgess"), the plaintiff in the Federal Court Action, is seeking class certification in the action. The Debtor lacks sufficient monies to defend against the Federal Court Action, which would require engaging in substantial e-discovery, motion practice and potentially funding the expense of a trial. As a result, the Debtor was required to avail itself of the protections afforded by the Bankruptcy Code.

#### 1.9 Significant Events During the Bankruptcy Case.

On the Petition Date, the Debtor filed a motion to continue its pre-existing cash management system and for related relief (the "Cash Management Motion") and a motion to assume its executory contracts with models (the "Motion to Assume") to enable the Debtor to pay them pre-Petition sums owed and thereby maintain the stability of its business. Hearing thereon was conducted on February 17, 2022. The Cash Management Motion was granted while the Motion to Assume was denied without prejudice. On March 3, 2022, the Debtor refiled Motion to Assume with stipulations confirming that the counterparties to the executory contracts consented to the relief requested therein. The Court granted the Motion to Assume on March 9, 2002.

On February 14,2022, Heidi J. Sorvino was appointed as subchapter V Trustee in the Debtor's case and remains acting in that capacity.

On March 29, 2022, the Debtor filed a motion to set a bar date for filing proofs of claims. The Court has scheduled January 6, 2022 as the bar date in this matter.

On March 16, 2022, Burgess filed a motion seeking relief from the automatic stay to proceed with the Federal Court Action to enter a judgment against the Debtor (the "Stay Relief Motion"). On April 18, 2022, the Debtor objected to the Stay Relief Motion taking the position that Burgess' claim should be adjudicated as part of the claims objection process before the Bankruptcy Court. A hearing on the Stay Relief Motion was conducted on April 18, 2022 and the Court denied such motion without prejudice.

On April 21, 2022, Burgess filed a motion seeking approval to proceed with a class proof of claim solely with respect to the breach of fiduciary duty claims she has asserted in the Federal Court Action (the "Class Proof of Claim Motion"). The Debtor intends to file an opposition to the Class Proof of Claim Motion. A hearing on such motion is scheduled for May 12, 2022.

From a business end, the Debtor has been engaged in efforts to generate new business and reduce its operating expenses, to assure that the Reorganized Debtor will be able to meet its funding obligations under the Plan.

#### 1.10 Projected Recovery of Avoidable Transfers.

The Debtor has not yet completed its investigation with regard to pre-petition transactions. The Debtor anticipates completing its investigation by May 15, 2022. If you are a general unsecured non-insider creditor who received a payment or other transfer of property within 90 days of bankruptcy, the Debtor may seek to avoid such transfer.

### ARTICLE 2 THE PLAN

The Debtor's Plan must describe how its Creditors will be paid. Certain Claims are entitled to specific treatment under the Bankruptcy Code and are not placed in a Class for purpose of payment. For example, Administrative Expenses Claims are not classified.

As required by the Code, the Plan places Claims and Equity Interests in various Classes and describes the treatment each Class will receive. The Plan also states whether each Class of Claims or Equity Interests is impaired or unimpaired. A Claim or Equity Interest can be impaired if the Plan alters the legal, equitable or contractual rights to which the Claimants are otherwise entitled. If the Plan is confirmed, each Creditor's recovery is limited to the amount provided in the Plan.

Only Creditors in Classes that are impaired may vote on whether to accept or reject the Plan, and only Creditors holding Allowed Claims may vote. A Class accepts the Plan when more than one-half in number and at least two-thirds in dollar amount of the Allowed Claims that actually vote, vote in favor of the Plan. Also, a class of Equity Interest holders accepts the Plan when at least two-thirds in amount of the allowed Equity Interest holders that actually vote, vote in favor of the Plan. A Class that is not impaired is deemed to accept the Plan.

#### 2.1 <u>Unclassified Claims</u>.

Certain types of Claims are automatically entitled to specific treatment under the Code. For example, Administrative Expenses are not classified. They are not considered impaired, and

holders of such Claims do not vote on the Plan. They may, however, object if, in their view, their treatment under the Plan does not comply with that required by the Code. As such, the Plan does not place the following Claims in any class:

#### A. Administrative Expenses

The Debtor must pay all Administrative Expenses in full. If an Administrative Expense is disputed, the Bankruptcy Court must determine the validity and amount of the Administrative Expense, or in other words, "allow" the Administrative Expense. Any Administrative Expense that is undisputed and is due and owing on the Confirmation Date must be paid in accordance with this Plan, or upon such other terms as agreed upon by the Debtor and the Administrative Claimant or Bankruptcy Court order. If the Administrative Expense is disputed, payment will be made after the Administrative Expense is allowed by the Bankruptcy Court.

There are several types of Administrative Expenses, including the following:

- 1. If the Debtor trades in the ordinary course of business following its filing of the Chapter 11 Case, Creditors are entitled to be paid in full for the goods or services provided. This ordinary trade debt incurred by the Debtor after the Petition Date will be paid on an ongoing basis in accordance with the ordinary business practices and terms between the Debtor and its Creditors.
- 2. Administrative Expenses also include any post-petition fees and expenses allowed to professionals, including the allowed claim of the Trustee for fees and/or reimbursements, and for attorneys and accountants employed upon Bankruptcy Court authority to render services to the Debtor during the Chapter 11 Case. These fees and expenses must be noticed to Creditors and approved by the Bankruptcy Court prior to payment.

The following chart lists the Debtor's estimated Administrative Expenses, and their proposed treatment under the Plan:

Type	Estimated Amount Owed	Proposed Treatment
Norris McLaughlin,	\$70,000	Payment in full on the Effective Date or
P.A., attorneys for		the date of entry of an order by the
the Debtor		Court approving allowances.
Zane & Fernandes, accountants for the Debtor	\$15,000	Payment in full on the Effective Date or the date of entry of an order by the Court approving allowances.
Heidi Sorvino, Trustee	Undetermined	Payment in full on the Effective Date or the date of entry of an order by the Court approving allowances.

Kroll (Claims Agent)		Payment in full on the Effective Date or the date of entry of an order by the Court approving allowances.
Court Fees	Undetermined	Payment in full on the Effective Date.
TOTAL	\$115,000 plus undetermined	Payment in full on the Effective Date.

#### 2.2 Classes of Claims and Equity Interests.

The following are the classes set forth in the Plan, and the proposed treatment that they will receive under the Plan:

#### A. Classes of General Unsecured Claims

General unsecured Claims are not secured by property of the estate and are not entitled to priority under § 507(a) of the Code.

Class #	Description	Impairment	Treatment
1	Allowed General Unsecured Claims of Models	Impaired	To be paid in annual distributions of Reorganized Debtor's income after expenses of operation, beginning one year after the Effective Date for a period of three years.
2	All Other Allowed General Unsecured Claims	Impaired	To be paid in annual distributions of Reorganized Debtor's income after expenses of operation, beginning one year after the Effective Date for a period of three years.

#### B. Class of Equity Interest Holder.

Equity Interest holders are parties who hold an ownership interest (i.e., equity interest) in the Debtor. In a corporation, entities holding preferred or common stock are Equity Interest holders.

The following chart sets forth the Plan's proposed treatment of the Class comprised of the Debtor's sole Equity Interest holder.

Class #	Description	Impairment	Treatment
3	Equity Interest Holder	unimpaired	Equity Interests shall be retained under the Plan

#### 2.3 Treatment of Executory Contracts and Unexpired Leases.

Executory Contracts are contracts where significant performance of the contract remains for both the Debtor and another party to the contract. The Debtor has the right to reject, assume (i.e. accept), or assume and assign these types of contracts to another party, subject to the Bankruptcy Court's approval. The paragraphs below explain the Debtor's intentions regarding its Executory Contracts and Unexpired Leases

Assumption of Executory Contracts and Unexpired Leases.

The Executory Contracts shown on Exhibit "C" shall be assumed by the Debtor to the extent they can be assumed under the Code. Assumption means that the Debtor has elected to continue to perform the obligations under such contracts and unexpired leases, and to cure defaults of the type that must be cured under the Bankruptcy Code, if any. Exhibit "C" also lists the cure amount owed under the executory contracts and how the Debtor will cure and compensate the other party to such contract or lease for any such defaults.

If you object to the assumption of your unexpired lease or Executory Contract, the proposed cure of any defaults, or the adequacy of assurance of future performance, you must file and serve your objection to the assumption within the deadline for objecting to the confirmation of the Plan, unless the Bankruptcy Court has set an earlier time.

Rejection of Executory Contracts and Unexpired Leases.

The Debtor will be conclusively deemed to have rejected all other Executory Contracts and/or unexpired leases not expressly shown on Exhibit "C", or not assumed before the date of the order confirming the Plan.

Rejection means that the Debtor has elected not to continue to perform the obligations under such contracts or leases. If the Debtor has elected to reject a contract or lease, the other party to the contract or lease will be treated as an Unsecured Creditor holding a Claim that arose before the bankruptcy was filed.

The Deadline for Filing a Proof of Claim Based on a Claim Arising from the Rejection of an Executory Contract is 30 days after the Confirmation Date. Any Claim based on the rejection of an Executory Contract will be barred if a proof of claim is not timely filed.

#### 2.4 Means for Implementation of the Plan.

The payments due at Confirmation under the Plan will be funded by cash on hand. Commencing 1 year after the Effective Date and continuing annually for a total period of 3 years, the Debtor shall commence its distributions to General Unsecured Creditors. Cash flow after

payment of all expenses of operation will be allocated to the payment of Allowed Unsecured Claims on a *pro rata* basis.

On the Effective Date of the Plan, all property of the Debtor, tangible, and intangible, including, without limitation, licenses, furniture, fixtures, and equipment, will revert, free and clear of all Claims and Equitable Interests except as provided in the Plan, to the Reorganized Debtor.

The officers of the Debtor immediately prior to the Effective Date shall serve as the initial officers of the Reorganized Debtor on and after the Effective Date.

#### 2.5 Payments.

If the Plan is confirmed, payments to Creditors provided for in the Plan will be made by the Trustee pursuant to §1194(a). Once the Trustee's service is terminated under § 1183(c), the Reorganized Debtor shall make Plan payments except as otherwise provided in the Plan or in the order confirming the Plan.

#### 2.6 <u>Tax Consequences of the Plan.</u>

Creditors and Equity Interest Holders Concerned with How the Plan May Affect Their Tax Liability Should Consult with Their Own Accountants, Attorneys, And/Or Advisors.

The following disclosure of possible tax consequences is intended solely for the purpose of alerting readers to possible tax issues the Plan may present. The Debtor CANNOT and DOES NOT represent that the tax consequences contained below are the only tax consequences of the Plan because the tax laws include many complicated rules which make it difficult to state completely and accurately all the tax implications of any action.

Generally speaking, a holder of a claim which is subject to taxation in the United States (a "Taxpayer-Claimant") will realize income or loss for federal and state income tax purposes if its claim is paid, unless such income or loss has previously been recognized, to the extent that such a payment would have created income or loss if paid by a debtor outside the jurisdiction of the Bankruptcy Court.

A Taxpayer-Claimant which receives nothing or less than the full amount with respect to its claim under a plan or in liquidation will realize a loss for federal and state income tax purposes to the extent that the Taxpayer-Claimant's tax basis in the claim exceeds its recovery, except to the extent that a loss with respect to such claim has previously been recognized.

### 2.7 <u>Projections in Support of Debtor's Ability to Make Payments Under the Proposed Plan.</u>

The Debtor has provided projected financial information, which are set forth in attached Exhibit "D." Based upon the Debtor's estimate of total Claims against the estate and projected funds available after payment of the Debtor's expenses, the Debtor proposes to pay 100% of Creditor Claims.

### ARTICLE 3 FEASIBILITY OF PLAN

The Bankruptcy Court must find that confirmation of the Plan is not likely to be followed by the liquidation, or the need for further financial reorganization, of the Debtor or any successor to the Debtor, unless such liquidation or reorganization is proposed in the Plan.

#### 3.1 Ability to Initially Fund Plan.

The Debtor believes that the Debtor will have enough cash on hand on the Effective Date of the Plan to pay all expenses that are entitled to be paid on that date.

Ability to Make Future Plan Payments and Operate Without Further Reorganization.

The Debtor's financial projections reflect that the Debtor will be able to pay the distributions to creditors as proposed in its Plan. The final Plan payment is to be paid on the third anniversary of the Effective Date.

The amounts set forth in the attached Exhibit "D" are projections only. Thus, the total dividend to General Unsecured Creditors may be less than projected, depending upon the profitability of the Reorganized Debtor.

#### ARTICLE 4 LIQUIDATION ANALYSIS.

To confirm the Plan, the Bankruptcy Court must find that all Creditors and Equity Interest holders who do not accept the Plan will receive at least as much under the Plan as such Claimants and Equity Interest holders would receive in a Chapter 7 liquidation. A liquidation analysis is attached hereto as Exhibit "E."

#### ARTICLE 5 DISCHARGE

#### 5.1 <u>Discharge</u>.

If the Plan is confirmed, the Debtor shall be discharged of all debts that arose prior to the Petition Date in accordance with and to the extent provided under § 1191 of the Bankruptcy Code.

#### 5.2 Title to Assets.

If a plan is confirmed under § 1191(a), except as otherwise provided in the Plan or in the order confirming the Plan, (i) confirmation of the Plan vests all of the property of the estate in the Reorganized Debtor, and (ii) after confirmation of the Plan, the property dealt with by the Plan is free and clear of all Claims.

If a plan is confirmed under § 1191(b), property of the estate includes, in addition to the property specified in § 541, all property of the kind specified in that section that the Reorganized Debtor acquires, as well as earnings from services performed by the Reorganized Debtor, after the

date of commencement of the case but before the case is closed, dismissed, or converted to a case under chapter 7, 12, or 13 of the Bankruptcy Code, whichever occurs first. Except as provided in § 1185 of the Bankruptcy Code, the Plan, or the order confirming the Plan, the Reorganized Debtor shall remain in possession of all property of the estate.

#### 5.3 Binding Effect.

If the Plan is confirmed, the provisions of the Plan will bind the Debtor, the Reorganized Debtor and all Creditors, whether or not they accept the Plan. The rights and obligations of any entity named or referred to in this Plan will be binding upon, and will inure to the benefit of the successors or assigns of such entity.

#### 5.4 Severability.

If any provision in this Plan is determined to be unenforceable, the determination will in no way limit or affect the enforceability and operative effect of any other provision of this Plan.

#### 5.5 Retention of Jurisdiction by the Bankruptcy Court.

The Bankruptcy Court shall retain jurisdiction of this case with regard to the following matters: (i) to make such orders as are necessary or appropriate to implement the provisions of this Plan and to resolve any disputes arising from implementation of the Plan; (ii) to rule on any modification of the Plan proposed under section 1193 of the Bankruptcy Code; (iii) to hear and allow all applications for compensation to professionals and other Administrative Expenses; (iv) to resolve all issues regarding Claims objections, and issues arising from the assumption/rejection of executory contracts or unexpired leases, and (v) to adjudicate any cause of action which may exist in favor of the Debtor, including preference and fraudulent transfer causes of action.

#### 5.6 Captions.

The headings contained in this Plan are for convenience of reference only and do not affect the meaning or interpretation of this Plan.

#### 5.7 <u>Modification of Plan.</u>

The Debtor may modify the Plan at any time before confirmation of the Plan pursuant to § 1193(a) of the Bankruptcy Code. However, the Bankruptcy Court may require additional items including revoting on the Plan.

If the Plan is confirmed under Section 1191(a) of the Bankruptcy Code, the Debtor may also seek to modify the Plan at any time after confirmation only if (1) the Plan has not been substantially consummated *and* (2) the Bankruptcy Court authorizes the proposed modifications after notice and a hearing.

If the Plan is confirmed under Section 1191(b) of the Bankruptcy Code, the Debtor may seek to modify the Plan at any time only if (1) it is within 3 years of the Confirmation Date, or such longer time not to exceed 5 years, as fixed by the court and (2) the Bankruptcy Court authorizes the proposed modifications after notice and a hearing.

#### 5.8 Final Decree.

Once the estate has been fully administered, as provided in Rule 3022 of the Federal Rules of Bankruptcy Procedure, the Reorganized Debtor, or such other party as the Bankruptcy Court shall designate in the Confirmation Order, shall file a motion with the Bankruptcy Court to obtain a final decree to close the case. Alternatively, the Bankruptcy Court may enter such a final decree on its own motion.

### ARTICLE 6 FREQUENTLY ASKED QUESTIONS

What Is the Debtor Attempting to Do in Chapter 11? Chapter 11 is the principal reorganization chapter of the Bankruptcy Code. Under Chapter 11, a debtor attempts to restructure the claims held against it. Formulation and confirmation of a plan of reorganization is the primary goal of Chapter 11. When reorganization is not feasible, however, a debtor may propose a liquidating plan under Chapter 11. The plan is the legal document which sets forth the manner and the means by which holders of claims against a debtor will be treated.

Why Am I Receiving This Plan? In order to confirm a plan of reorganization Bankruptcy Code requires that a debtor solicit acceptances of a proposed plan, which it is doing with this Plan. If the creditors are satisfied with the information provided in the Plan and the terms of the Plan as proposed, and have voted for the Plan and returned the requisite number of ballots to counsel for the Debtor, the Bankruptcy Court may confirm the Plan as proposed by the Debtor.

How Do I Determine Which Class I Am In? The Table of Contents will direct you to the treatment provided to the class in which you are grouped. The pertinent section of the Plan dealing with that class will explain, among other things, who is in that class, what is the size of the class, what you will receive if the Plan is confirmed, and when you will receive what the Plan has provided for you if the Plan is confirmed.

Why Is Confirmation of a Plan of Reorganization Important? Confirmation of the Plan is necessary because if the Plan is confirmed, the Debtor and all of its Creditors are bound by the terms of the Plan. If the Plan is not confirmed, the Debtor may not pay creditors as proposed in the Plan while the Debtor remains in bankruptcy.

What Is Necessary to Confirm a Plan of Reorganization? Confirmation of the Plan requires, among other things, the vote in favor of the Plan of two-thirds in total dollar amount and a majority in number of claims actually voting in each voting class. If the vote is insufficient, the Bankruptcy Court can still confirm the Plan, but only if certain additional elements are shown including that the plan does not discriminate unfairly, and is fair and equitable, with respect to each class of claims or interests that is impaired under, and has not accepted, the plan.

Am I Entitled to Vote on the Plan? Any Creditor of the Debtor whose Claim is IMPARIED under the Plan is entitled to vote, if either (i) the Creditor's claim has been scheduled by the Debtor and such claim is not scheduled as disputed, contingent, or unliquidated, or (ii) the creditor has filed a proof of claim on or before the last date set by the Bankruptcy Court for such filings. Any Claim to which an objection has been filed (and such objection is still pending) is not entitled to vote, unless the Bankruptcy Court temporarily allows the Creditor to vote upon the

Creditor's motion. Such motion must be heard and determined by the Bankruptcy Court prior to the date established by the Bankruptcy Court to confirm the Plan.

**How Do I Determine Whether I Am in an Impaired Class?** Under the Plan, all classes of creditors are impaired and, thus, your vote will be considered by the Bankruptcy Court.

When Is the Deadline by Which I Need to Return My Ballot? The Plan is being distributed to all claim holders for their review, consideration and approval. The deadline by which ballots must be returned is \_\_\_\_\_\_\_. Ballots should be mailed to the following address: MELISSA A. PENA, ESQ., NORRIS McLAUGHLIN, P.A., 7 TIMES SQUARE, 21st FLOOR, NEW YORK, NEW YORK, 10036.

**How Do I Determine When and How Much I Will Be Paid?** The Debtor has provided cash flow projections reflecting the amount it anticipates will be available to fund distributions on Allowed Unsecured Claims. Distributions shall be made to Creditors *pro rata*, based on the amount of their Claim.

### ARTICLE 7 DEFINITIONS

- **7.1** The definitions and rules of construction set forth in §§ 101 and 102 of the Bankruptcy Code shall apply when terms defined or construed in the Code are used in this Plan.
